Lesson Plans and Activities

Integrate the Museum trip with your student's learning at home!

Visit NHM.ORG/for-teachers/lessons-and-activities to download lesson plans and activities to use during your visit.

Exploring the Museum

Homeschool Days are self-guided explorations of the Museum. However, we strive to provide special opportunities in the mornings until 12:00 pm. Each Homeschool Day has a unique set of programming, and, depending on its theme and season, may include drop-in activities, tours, Guided Programs, Live Animal Meet & Greets and access to special exhibits like the Butterfly or Spider Pavilion.

Due to space considerations, some exhibits and programs require tickets that are free, which can be picked up on a first-come, first-served basis from the Welcome Table in the Grand Foyer after check-in. All regular afternoon Museum programming is free and does not require tickets.
